ABOUT THE PROGRAM

In the summer of 2010, we are pleased to offer our reinvented summer academy program. The program is made up of three two-week sessions, each consisting of 6 skill-oriented trainings run by our professional coaches. Players may enroll in any or all of the three programs, however each program will be different, and full participation is strongly encouraged. Participants should expect improvements in all aspects of their game; from dribbling and moves to beat opponents, to individual and team defense. The summer academy program will be the main source for youth soccer on Mercer Island in 2010. To register, please either fill out the attached form, or register online at www.miysc.org
